Thank you for taking the time to complete this form, it will greatly assist us in fulfilling your child's dream for a short break, please don't expect anything to happen immediately but rest assured that we will contact you as soon as we have any further information regarding your child's dream. We are providing self-catering accommodation at Bluestone Resort, Wales. All transport, meals, entertainment etc, will need to be paid for by you. Breaks are normally offered during off peak periods when the resort is quieter. This normally means that children will be required to be taken out of school. Most headteachers are happy to allow this when they understand what a wonderful opportunity this is for the child. We currently operate a text alert system, whereby when lodges become available, we text out to all those on our waiting list to call us if they are available. Lodges are allocated on a first come first served basis. We are not permitted by Bluestone to provide lodges again to the same family within a minimum two-year period.
